

2024 AASB RESEARCH FORUM

Call for Expressions of Interest

Researchers are invited to submit working papers or research proposals for the 2024 AASB Research Forum, themed *Accounting and Reporting in Changing Times*. Some suggested topics include:

- Digital corporate reporting
- Forward-looking information
- Goodwill and impairment
- Intangible assets, including emerging assets such as digital assets
- Management commentary
- Provisions
- Service performance reporting
- Sustainability reporting

Submissions addressing other matters not listed above will also be considered.

How to submit an expression of interest

In your submission, please provide:

- Paper title
- Names of researchers and institutions they represent
- Synopsis – please submit a maximum of 200 words on each of the following:
 - Research objectives, proposed research questions and methodology
 - The relevance of possible conclusions from the research to inform the AASB's standard setting activities and its strategic objectives
 - Possible assistance from the AASB (if required)

*Expressions of Interest should be submitted by **Friday 20 October 2023** via research@asb.gov.au.*
