## Directors' Report 31 December 2023

Your directors present their report on the Company for the financial year ended 31 December 2023.

#### Directors

The names of the directors in office at any time during, or since the end of, the year are:

Nicola Beatson David Bond Li Chen (joined 1 August 2023) Craig Deegan (joined 1 August 2023) Michaela Rankin Andrew Jackson (Resigned 31 July 2023) Sumit Lodhia Yaowen Shan Lisa McManus (Resigned 31 July 2023) Marvin Wee Nives Botica Redmayne

Directors have been in office since the start of the financial year to the date of this report unless otherwise stated.

#### **Principal Activities**

The principal activity of the Company during the year was the administration of a not-for-profit accounting and finance association operated for the advancement of accounting and finance education.

No significant change in the nature of these activities occurred during the financial year.

#### Short-term and Long-term Objectives

The primary objectives of Accounting and Finance Association of Australia and New Zealand Limited (AFAANZ), which was established to operate as a public educational institution by supporting and advancing the character, status, teaching and research in the accounting and finance and related disciplines through educational and other activities are:

- To promote the study of accounting and finance disciplines to members and non-members.
- To disseminate academic accounting and finance research related information of interest and/or importance to the

profession and public at large.

- To provide education programs such as the doctoral symposium to members and non-members.
- To promote to the public, whether by way of publication or otherwise, information on accounting and finance and related disciplines and other subjects of interest or value to accountants, finance and related disciplines by lectures, discussions, books, journals and correspondence and other publications with the public and other bodies and individuals or otherwise.
- To encourage the study of accounting and finance and related disciplines within the general public, and, for that
  purpose to donate and to encourage the donation, on such terms and conditions as may from time to time be
  determined or prescribed, of a prize or prizes or other rewards or distinctions.

ABN 67 091 255 908

## Directors' Report 31 December 2023

#### Strategies

To achieve these objectives, the Company has adopted the following strategies:

- To provide education and professional development programs in accounting and finance related disciplines.
- To provide accounting and finance related lectures, discussions, books, journals and other publications to the public.
- To donate and encourage donations of prizes and other rewards for the study of accounting and finance related disciplines (research grants and scholarships).
- To conduct an annual conference and doctoral symposium.

#### **Key Performance Measures**

The Company measures its own performance through the use of both quantitative and qualitative benchmarks. The benchmarks are used by the directors to assess the financial sustainability of the Company and whether the Company's short-term and long-term objectives are being achieved.

#### **Company Performance**

During 2023, AFAANZ continued to advance the character, status, teaching and research in the accounting and finance and related disciplines. The advancement occurred by AFAANZ initiated and coordinated activities including:

- An Annual Conference on the Gold Coast with approximately 380 delegates attending from numerous countries;
- A Doctoral Symposium attended by 40 PhD candidates drawn from AFAANZ Institutional Members with an internationally renowned faculty;
- Awarding of approximately \$250,000 in research grants to successful applicants;
- Providing Conference support of approximately \$7,000 to Institutional members;
- Supporting 2 PhD students to the value of \$6,000 to attend the European Accounting Association's Colloquium and the American Accounting Association's Consortium; and
- Supporting and funding AFDEN, a PhD Coursework Program

Additionally, AFAANZ continued to build on relationships with various national and international associations including accounting professional bodies. Several co-badged events were conducted that assisted in bridging the gap between academia and practice.

AFAANZ made a surplus this year and it appears that revenue has decreased during the financial year. The surplus for AFAANZ amounted to \$5,194 (2022: deficit of \$59,959) for the year.

## Notes to the financial statements

## For the Year Ended 31 December 2023

The financial report covers Accounting and Finance Association of Australia and New Zealand Limited as an individual entity. Accounting and Finance Association of Australia and New Zealand Limited is limited by guarantee, incorporated and domiciled in Australia.

The financial statements were authorised for issue on the date of the Directors' Declaration.

#### 1 Summary of Material Accounting Policies

#### **Basis of Preparation**

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards - Simplified Disclosures Requirements of the Australian Accounting Standards Board and the *Australian Charities and Not-for-profits Commission Act 2012*. The Company is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless otherwise stated.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest Australian dollar.

#### (a) Income Tax

No provision for income tax has been raised as the Company is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997.* 

#### (b) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost, less, where applicable, accumulated depreciation and any impairment losses.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are recognised in the statement of comprehensive income in the period in which they arise. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to accumulated surplus.

ABN 67 091 255 908

## Notes to the financial statements

## For the Year Ended 31 December 2023

#### 1 Summary of Material Accounting Policies (Continued)

(b) Property, Plant and Equipment (Continued)

#### Depreciation

The depreciable amount of all fixed assets, including buildings and capitalised lease assets, but excluding freehold land, is depreciated on a straight-line basis over the assets' useful life to the entity commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

35%

The depreciation rates used for each class of depreciable asset are shown below:

Class of fixed asset	Depreciation rate
Plant and equipment	20% to 35%

#### (c) Financial Instruments

Financial instruments are recognised initially on the date that the Company becomes party to the contractual provisions of the instrument.

On initial recognition, all financial instruments are measured at fair value plus transaction costs.

#### Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

#### Classification

On initial recognition, the Company classifies its financial assets into the following categories, those measured at:

amortised cost

fair value through other comprehensive income - equity instrument (FVOCI - equity)

Financial assets are not reclassified subsequent to their initial recognition unless the Company changes its business model for managing financial assets.

#### Amortised cost

Assets measured at amortised cost are financial assets where:

- the business model is to hold assets to collect contractual cash flows; and
- the contractual terms give rise on specified dates to cash flows are solely payments of principal and interest on the principal amount outstanding.

The Company's financial assets measured at amortised cost comprise trade and other receivables and cash and cash equivalents in the statement of financial position.

Subsequent to initial recognition, these assets are carried at amortised cost using the effective interest rate method less provision for impairment.

Interest income, foreign exchange gains or losses and impairment are recognised in profit or loss. Gain or loss on derecognition is recognised in profit or loss.

### ABN 67 091 255 908

### Notes to the financial statements

### For the Year Ended 31 December 2023

1 Summary of Material Accounting Policies (Continued)

#### (c) Financial instruments (Continued)

Fair value through other comprehensive income

#### Impairment of financial assets

Impairment of financial assets is recognised on an expected credit loss (ECL) basis for the following assets:

#### • financial assets measured at amortised cost

Credit losses are measured as the present value of the difference between the cash flows due to the Company in accordance with the contract and the cash flows expected to be received. This is applied using a probability weighted approach.

#### Trade receivables and contract assets

Impairment of trade receivables and contract assets have been determined using the simplified approach in AASB 9 which uses an estimation of lifetime expected credit losses. The Company has determined the probability of non-payment of the receivable and multiplied this by the amount of the expected loss arising from default.

The amount of the impairment is recorded in a separate allowance account with the loss being recognised in finance expense. Once the receivable is determined to be uncollectable then the gross carrying amount is written off against the associated allowance.

Where the Company renegotiates the terms of trade receivables due from certain customers, the new expected cash flows are discounted at the original effective interest rate and any resulting difference to the carrying value is recognised in profit or loss.

#### Other financial assets measured at amortised cost

Impairment of other financial assets measured at amortised cost are determined using the expected credit loss model in AASB 9. On initial recognition of the asset, an estimate of the expected credit losses for the next 12 months is recognised. Where the asset has experienced significant increase in credit risk then the lifetime losses are estimated and recognised.

ABN 67 091 255 908

### Notes to the financial statements

### For the Year Ended 31 December 2023

#### 1 Summary of Material Accounting Policies (Continued)

#### **Financial instruments (Continued)**

#### **Financial liabilities**

The Company measures all financial liabilities initially at fair value less transaction costs subsequently financial liabilities are measured at amortised cost using the effective interest rate method.

#### (d) Employee Benefits

Provision is made for the Company's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may not satisfy vesting requirements. Those cash flows are discounted using market yields on national government bonds with terms to maturity that match the expected timing of cash flows.

#### **Defined contribution schemes**

Obligations for contributions to defined contribution superannuation plans are recognised as an employee benefit expense in profit or loss in the periods in which services are provided by employees.

#### (e) Provisions

Provisions are recognised when the Company has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of the reporting period.

#### (f) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

#### (g) Revenue and Other Income

The Company recognises revenue under AASB 15 when the rights and obligations created under the agreement are enforceable and the performance obligations are sufficiently specific. To determine whether to recognise revenue, the Company follows a 5-step process:

- 1. Identify the contract with the customer;
- 2. identify the performance obligations in the contract;
- 3. determine the transaction price;
- 4. allocate the transaction price to the performance obligations in the contract; and
- 5. recognise revenue as and when the performance obligations are satisfied.

ABN 67 091 255 908

### Notes to the financial statements

### For the Year Ended 31 December 2023

#### 1 Summary of Material Accounting Policies (Continued)

#### (g) Revenue and Other Income (Continued)

Revenue is recognised for the major business activities as follows:

#### Membership revenue

Members are billed in advance for a calendar year subscription. Revenue is recognised over the year when the performance obligation is satisfied.

The financial liabilities of the Company comprise trade payables, bank and other loans and lease liabilities.

#### Sponsorship revenue

Sponsorship revenue is recognised when performance obligations in the sponsorship agreements are satisfied.

#### Journal revenue

Journal revenue is recognised when the journal is purchased and therefore satisfying the performance obligation.

#### **Conference revenue**

Conference revenue is recognised upon completion of the annual conference.

#### Doctoral symposium revenue

Doctorial symposium revenue is recognised upon completion of the annual symposium.

#### Government revenue

Government revenue is recognised in profit or loss on a systematic basis over the periods in which the entity recognises as expenses the related costs for which the grants are intended to compensate. The Company presents government grant income in the Statement of Profit or Loss and Other Comprehensive Income on a gross basis and as "Other income".

#### Interest revenue

Interest revenue is recognised using the effective interest rate method, which, for floating rate financial assets is the rate inherent in the instrument.

All revenue is stated net of the amount of goods and services tax (GST).

#### (h) Trade and Other Payables

Trade and other payables represent the liability for goods or services received by the Company during the reporting period that remain unpaid at the end of the reporting period.

ABN 67 091 255 908

## Notes to the financial statements

### For the Year Ended 31 December 2023

#### 1 Summary of Material Accounting Policies (Continued)

#### (i) Trade and Other Receivables

Accounts receivable and other debtors include amounts due from members as well as amounts receivable from customers for goods sold in the ordinary course of business. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Accounts receivable are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less any provision for impairment.

#### (j) Goods and Services Tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing and financing activities which are recoverable from, or payable to, ATO are presented as operating cash flows in receipts from customers or payment suppliers.

#### (k) Comparative Figures

Where required by Accounting Standards, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

#### (I) Critical Accounting Estimates and Adjustments

The directors evaluate estimates and judgements incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Company.

#### (a) Provision for research grants

The Company has recognised a provision for estimated research grants to be awarded during 2024. provision for research grants has been based upon the amount approved by the board of directors. Based on past experience, the Company does not expect the full balance of the provision for research grants to be settled within 12 months.

#### (m) Fair Value of Assets and Liabilities

The company measures some of its assets and liabilities at fair value on either a recurring or non-recurring basis, depending on the requirements of the applicable Accounting Standard. "Fair value" is the price the Company would receive to sell an asset or would have to pay to transfer a liability in an orderly (i.e. unforced) transaction between independent, knowledgeable and willing market participants at the measurement date.

ABN 67 091 255 908

## Notes to the financial statements

## For the Year Ended 31 December 2023

- 1 Summary of Material Accounting Policies (Continued)
- (m) Fair Value of Assets and Liabilities (Continued)

As fair value is a market-based measure, the closest equivalent observable market pricing information is used to determine fair value. Adjustments to market values may be made having regard to the characteristics of the specific asset or liability. The fair values of assets and liabilities that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data.

To the extent possible, market information is extracted from the principal market for the asset or liability (i.e. the market with the greatest volume and level of activity for the asset or liability). In the absence of such a market, market information is extracted from the most advantageous market available to the entity at reporting date (i.e. the market that maximises the receipts from the sale of the asset or minimises the payment made to transfer the liability, after taking into account transaction costs and transport costs). For non-financial assets, the fair value measurement also takes into account a market participant's ability to use the asset in its highest and best use or to sell it to another market participant that would use the asset in its highest and best use.

ABN 67 091 255 908

#### **Provision for Research Grants**

A provision of \$250,000 at 31 December 2023 has been recognised by the Company for estimated research grants to be awarded during 2024. The provision for research grants has been based upon the amount approved by the board of directors.

Based on past experience, the Company does not expect the full balance of the provision for research grants to be settled within 12 months. However, as the Company does not have an unconditional right to defer settlement if a claim is made, the full amount is presented as current.

#### Provision for employee benefits

Provision for employee benefits represents amounts accrued for annual leave.

The current portion for this provision includes the total amount accrued for annual leave entitlements. Based on past experience, the Company does not expect the full amount of annual leave classified as current liabilities to be settled within the next 12 months. However, this amount must be classified as a current liability since the Company does not have an unconditional right to defer the settlement of the amount in the event employees wish to use their leave entitlement.

#### 12 Events after the Reporting Period

No matters or circumstances have arisen since the end of the financial year which significantly affected or could significantly affect the operations of the Company, the results of those operations or the state of affairs of the Company in future financial years.

ABN 67 091 255 908

## Notes to the financial statements

## For the Year Ended 31 December 2023

#### 13 Contingent Liabilities

In the opinion of the Directors, the Company did not have any contingencies at 31 December 2023 (31 December 2022: None).

#### 14 Related Party Transactions

Related parties include close family members of key management personnel and entities that are controlled or jointly controlled by those key management personnel individually or collectively with their close family members. Transactions between related parties are on normal commercial terms and conditions no more favourable than those available to other parties unless otherwise stated.

Related party transactions or balances for the financial year comprise membership fees paid by the directors amounting to \$1,019 (2022: \$1,019).

## **INDEPENDENT AUDITOR'S REPORT**

## TO THE MEMBERS OF ACCOUNTING AND FINANCE ASSOCIATION OF AUSTRALIA AND NEW ZEALAND LIMITED

### Opinion

We have audited the financial report of Accounting and Finance Association of Australia and New Zealand Limited (the Company) which comprises the statement of financial position as at 31 December 2023, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information, and the directors' declaration.

In our opinion, the accompanying financial report of Accounting and Finance Association of Australia and New Zealand Limited is in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- a. giving a true and fair view of the Company's financial position as at 31 December 2023 and of its financial performance for the year then ended, and
- b. complying with Australian Accounting Standards Simplified Disclosures and the Division 60 of the Australian Charities and Not-for-profits Commission Regulations 2022.

### **Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012* and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Responsibilities of the Directors for the Financial Report**

The directors of the Company are responsible for the preparation and fair presentation of the financial report in accordance with the Australian Accounting Standards – Simplified Disclosures and the *Australian Charities and Not-for-profits Commission Act 2012,* Division 60 of the Australian Charities and Not-for-profits Commission Regulations 2022 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

### Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
  appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the
  Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on
  the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast
  significant doubt on the Company's ability to continue as a going concern. If we conclude that a material
  uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the
  financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the
  audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause
  the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
