UIBE BUSINESS SCHOOL

Job Announcement from UIBE Business School

The Business School, University of International Business and Economics (UIBE), Beijing, China, invites applications for tenure-track faculty positions in **Accounting, and Finance** at the levels of **assistant, associate and full professor** (Permanent, Tenure Track or Tenured) starting from August/October 2024.

Job qualifications and responsibilities -- Faculty Position

The position requires a PhD degree in the area of accounting and finance, or a closely related area of expertise. Potential candidates need to demonstrate their strong research potential and teaching interest. Responsibilities include: conducting active research and publish at high-quality English academic journals, seeking external funding, teaching courses at the undergraduate and graduate levels, student advising, mentoring student research, service on department committees, and contributing to the university's research and engagement mission.

Compensation package

The University will provide favorable salaries and benefits in accordance with the academic achievements and work positions of the selected candidates. The benefits include subsidies for housing (including rental, relocation housing, etc.), social insurance, housing accumulation fund, health care, etc. Annual salary will be negotiated between the applicants and UIBE.

Citizenship and Visa Regulations

Employment at University of International Business and Economics is regulated by Chinese Labour Laws, and must comply with the regulations of the capital government. These regulations stipulate who is eligible for legal employment with regard to obtaining work permits and visas. Please be advised candidates over 65 may be not eligible for a work visa in the P.R. China.

Application procedure

Applicants can send application letter and curriculum vitae to 02977@uibe.edu.cn before **Aug. 20, 2024**. Review of applications begins from now on.
